

Material Safety Data Sheet

Emergency Telephone: 1-800-828-9528 at Lander, Wyoming, USA																					
Identification: Concrete Remedy's PetraWood Product Code: PW	<table style="width: 100%; border-collapse: collapse;"> <tr> <td colspan="2">Hazard Rating</td> <td style="width: 20%;"></td> <td style="width: 10%;"></td> </tr> <tr> <td style="width: 15%;">4 – Extreme</td> <td style="width: 15%;">3 – High</td> <td style="width: 20%;">Fire</td> <td style="width: 10%;">0</td> </tr> <tr> <td>2 – Moderate</td> <td>1 – Slight</td> <td>Health</td> <td>1</td> </tr> <tr> <td>1 – Slight</td> <td>0 – Insignificant</td> <td>Reactivity</td> <td>0</td> </tr> <tr> <td></td> <td></td> <td>Special Hazard</td> <td>0</td> </tr> </table>	Hazard Rating				4 – Extreme	3 – High	Fire	0	2 – Moderate	1 – Slight	Health	1	1 – Slight	0 – Insignificant	Reactivity	0			Special Hazard	0
Hazard Rating																					
4 – Extreme	3 – High	Fire	0																		
2 – Moderate	1 – Slight	Health	1																		
1 – Slight	0 – Insignificant	Reactivity	0																		
		Special Hazard	0																		
Chemical Identity Information																					
Proprietary mixture no hazardous ingredients.																					
Physical Data																					
Appearance: Clear Liquid Odor: None Boiling point: 212 degrees F. Vapor Pressure: Unknown	Solubility in water: Yes Specific Gravity: 1.094 PH (1% solution) 8.96																				
Fire and Explosion Data																					
Flash Point: Flammability: Extinguishing Media: Unusual Fire or Explosion Hazard:	Non Flammable N/A N/A N/A																				
Health Hazard Data																					
Contains no hazardous materials as defined by OSHA and ACGIH.																					
Eye(s): Skin: Ingestion:	May cause irritation and redness. May cause redness. Non-Toxic, may cause Gastro-Intestinal problem.																				
Emergency and First Aid Procedures																					

Material Safety Data Sheet

<p>Eye Contact: Flush with cool clean running water for at least 15 minutes. If irritation persists, get medical attention.</p> <p>Skin Contact: Flush exposed area with clean, running water for at least 15 minutes. If irritation persists, get medical attention.</p> <p>Ingestion: Do not induce vomiting. Dilute with large amounts of water and weak vinegar or orange juice. Get medical attention immediately.</p>	
Special Protection Information	
Protective Gloves:	Rubber gloves recommended
Eye Protection:	Goggles recommended
Respiratory Protection:	None
Local Exhaust:	Good ventilation
Other Equipment:	None
Reactivity Data	
Incompatible Materials:	Do not mix with other chemicals
Stability:	Stable
Hazardous Polymerization:	Will not occur
Hazardous Decomposition:	None
Spill or Leak Procedures	
With small spills or leaks use absorbent material such as sawdust, vermiculite or sand. Larger spills dilute with large amounts of water, before flushing to sewer or drain according to local, state and/or federal regulations.	
Special Information	
Keep container closed when not in use. Store away from heat and do not freeze. Keep out of reach of children.	
The information contained herein is, to the best of our knowledge and belief, accurate. However, since the conditions of handling and use are beyond our control, we make no guarantee of results, and accept no liability for damages incurred by use of this material. It is the responsibility of the user to comply with all applicable federal and local laws. All chemicals may present unknown health hazards and should be used with caution.
